

Lackawanna Sail & Power Squadron

Public Boating Course and GPS Course

for Morris, Somerset and west Essex County, New Jersey

Lackawanna Sail & Power Squadron will be offering three public courses this spring at a corporate headquarters in Morris Township. The Squadron Boating course and the Boat Smart course will satisfy the requirements to operate a boat *and* personal watercraft in NJ. These courses will also satisfy the pending law in the NJ legislator to make boater education mandatory for all boaters no matter the age or years of experience.

The Squadron Boating Course –
Wednesday's, February 2nd through March 16th 2005

GPS for Boaters –
March 30th & April 6th 2005

Boat Smart Course –
May 23rd – May 26th 2005

Pre-registration is mandatory for all public courses!

Registration closes 2 weeks before class begins.
