Question:

I took the USPS Boating course many years ago, but I can not locate my certificate. How do I obtain my New Jersey certificate?

Answer:

If you know the name of the squadron with which you took the course, contact USPS headquarters 1-888-367-8777, extension 230 and they may be able to provide a duplicate USPS completion certificate. If you do not know the name of the squadron, but know the year in which you took the course, they may be able to locate your record. In some instances they may be able to locate you by your Social Security number. Look at the list of New Jersey squadrons and the name may refresh the memory.
